Software Grant and Corporate Contributor License Agreement ("Agreement")

Based on the Apache Foundation agreement: <http://www.apache.org/licenses/cla-corporate.txt>

Thank you for your interest in TRUCHAS. In order to clarify the intellectual property license granted with Contributions from any person or entity, Los Alamos National Security, LLC ("LANS"), as operator of Los Alamos National Laboratory ("LANL") must have a Contributor License Agreement (CLA) on file that has been signed by each Contributor, indicating agreement to the license terms below. This license is for your protection as a Contributor as well as the protection of LANL and the TRUCHAS users; it does not change your rights to use your own Contributions for any other purpose.

This version of the Agreement allows an entity (the "Corporation") to submit Contributions to LANL, to authorize Contributions submitted by its designated employees to LANL, and to grant copyright and patent licenses thereto.

If you have not already done so, please complete and sign, then scan and email a pdf file of this Agreement to software@lanl.gov. Alternatively, you may send it by facsimile to LANL at 505-665-3125. If necessary, send an original, signed Agreement to LANL, P.O. Box 1663, MS C333, Attn. Contracts Management Team, Los Alamos, NM 87545.

Please read this document carefully before signing and keep a copy for your records.

You accept and agree to the following terms and conditions for Your present and future Contributions submitted to LANL. In return, LANL shall not use your Contributions in a way that is contrary to the public benefit or inconsistent with its goals and objectives as a federal laboratory. Except for the license granted herein to LANS and recipients of software distributed by LANL, You reserve all right, title, and interest in and to Your Contributions.

1. Definitions. "You" (or "Your") shall mean the copyright owner or legal entity authorized by the copyright owner that is making this Agreement with LANS. For legal entities, the entity making a Contribution and all other entities that control, are controlled by, or are under common control with that entity are considered to be a single Contributor. For the purposes of this definition,

“control” means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

“Contribution” shall mean the code, documentation or other original works of authorship expressly identified in Schedule B, as well as any original work of authorship, including any modifications or additions to an existing work, that is intentionally submitted by You to LANS for inclusion in, or documentation of TRUCHAS (the "Work"). For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to LANS or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, LANS for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by You as "Not a Contribution."

2. Grant of Copyright License. Subject to the terms and conditions of this Agreement, You hereby grant to LANS and to recipients of TRUCHAS a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare derivative works of, publicly display, publicly perform, sublicense, and distribute Your Contributions and such derivative works.
3. Grant of Patent License. Subject to the terms and conditions of this Agreement, You hereby grant to LANS and to recipients of software distributed by LANS a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by You that are necessarily infringed by Your Contribution(s) alone or by combination of Your Contribution(s) with the Work to which such Contribution(s) were submitted. If any entity institutes patent litigation against You or any other entity (including a cross-claim or counterclaim in a lawsuit) alleging that your Contribution, or the Work to which you have contributed, constitutes direct or contributory patent infringement, then any patent licenses granted to that entity under this Agreement for that Contribution or Work shall terminate as of the date such litigation is filed.
4. You represent that You are legally entitled to grant the above -referenced Copyright License and Patent License. You represent further that each employee of the Corporation designated on Schedule A below (or in subsequent written modification to that Schedule) is authorized to submit Contributions on behalf of the Corporation.
5. You are not expected to provide support for Your Contributions, except to the extent You desire to provide support. You may provide support for free, for a fee, or not at all. Unless required by applicable law or agreed to in writing, You provide Your Contributions on an “AS IS” basis, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE.
6. Should You wish to submit work that is not Your original creation, You may submit it to LANS separately from any Contribution, identifying the complete details of its source and of any

license or other restriction (including, but not limited to, related patents, trademarks, and license agreements) of which you are personally aware, and conspicuously marking the work as "Submitted on behalf of a third party: [named here]".

7. It is Your responsibility to notify LANS when any change is required to the list of designated employees authorized to submit Contributions on behalf of the Corporation, or to the Corporation's Point of Contact with LANS.
